

# Upgrade your stay

## Engaging Activities

Your stay with us goes beyond the ordinary. Embark on guided tours to explore our farm's inner workings and the stories behind each facet of what we do. You can book activities on our farm that include fishing, horseback riding and more, depending on our family's availability.

## LLF adventure tour - \$ 250/per person (Package No.1)

This upgrade offers an immersive experience that includes a guided 2-hour farm tour showcasing sustainable practices and animals, followed by a gourmet 3-course meal overlooking Lindsay Lake, providing an opportunity to connect with the Teerling family, learn about their farming journey, and appreciate the authenticity of rural life. This upgrade presents a unique blend of education, culinary delight, and personal engagement, all set against the backdrop of the serene lake view.

## **Farm Work Experience:**

Join us on our farm for an experience of farm work. This allows you to actively participate in various farming tasks such as harvesting, tending to animals, maintaining crops, and other agricultural activities. It's a hands-on opportunity for you to learn about farming practices, connect with nature, and contribute to our farm's operations while gaining valuable skills and insights. Booking depends on availability.

## ***Shuttle Service - \$99 (Package No.2)***

Experience a seamless arrival with our "Arrive in Style" service. Let us enhance your journey by picking you up from the airport in our luxurious Mercedes-Benz G-Class vehicle, ensuring a comfortable and prestigious transit directly to Moose River Cottage. Eliminate any additional stressors as we prioritize your convenience and provide a smooth transition to your tranquil retreat.

## Farm Baked Goodness
